Schedule of Events for ConQuest OREGON 2010

The fun begins with three days of gaming at the fairgrounds! All the events are scheduled to occur in the Cloverleaf building at the Washington County Fairgrounds, with the exception of the separately ticketed Warhammer tournaments, which will be held in another building. (Check in at HQ in the Cloverleaf building for the exact location.)

Below is a listing of all the scheduled events to run at the convention over the weekend of October 1-3. They are arranged by time blocks. Time blocks are how we organize our events for our ConQuest shows. Registration opens at 1pm on Friday, and the first wave of games is set to begin at 2pm. Signup sheets for a few blocks in advance are put out for people to signup for games at the show. (RPGA players can go to <http://warhorn.net/conquest-oregon-2010> to signup for games before the show, once they have paid their registration.)

For more information about each of the games, check out the comprehensive listing including game descriptions at the show website <http://www.conquestoregon.com>
